

OKLAHOMA STATE AUCTIONEERS ASSOCIATION

Advertisers are an integral part of the Oklahoma State Auctioneers Association's continued success. Your donation helps us in several ways. Most importantly, you will help us cover the increasing cost of managing the expense of providing The Chant to association members. The Chant is posted on the OSAA Web site and mailed to members for Oklahoma Auctioneers to view.

All professional organizations need good partners to succeed and we look forward to your continued partnership. We also realize that there are many associations and causes you can join and align yourselves, and we appreciate your past support and look forward to your continued support.

Please contact the OSAA office if you have any additional questions regarding advertising in The Chant.

Respectfully,

Cali Crissup
